

**Table 1. Review Categories and Prohibited Activities in Tidal Waters and on Adjacent Shoreline Features (Water Type Matrices)**

Review categories for activities within the 200-foot area contiguous to shoreline features are listed in Table 1A. All Category B activities and starred (\*) Category A activities are put out to public notice. Maintenance of existing structures is treated in Section 300.14. Letter codes are as follows:

- A** - Category A Assent required;
- B** - Category B Assent required;
- P** - Prohibited; and
- n/a** - Not applicable.

**Footnotes for Table 1 (Water Type Matrices)**

- <sup>1</sup> See definitions in Section 300.2(A) for differentiation between Category A and B reviews.
- <sup>2</sup> Municipal sewer lines are reviewed as Category B.
- <sup>3</sup> Utility lines are reviewed as Category B.
- <sup>4</sup> See Section 210.3(C)6; the review categories shown here for Type 3, 4, 5, and 6 waters apply to wetlands designated for preservation.
- <sup>5</sup> For residential docks, piers, floats see Section 300.4.C.4 for review procedures.
- <sup>6</sup> See Section 200.2.C.2 for pre-existing marinas in Type 2 Waters.
- <sup>7</sup> Category A review for pre-existing marinas in Type 2 waters (See Section 300.9.A.1); Category B review for residential boating facilities in Type 2 waters (See Section 300.9.E.7).
- <sup>8</sup> Structural shoreline protection facilities may only be permitted to protect historic structures which are currently listed in the National Register of Historic Places. Additionally, the proposal must meet all applicable standards contained within in Section 300.7.
- <sup>9</sup> See Section 300.4.D.6
- <sup>10</sup> Where an activity substantially detracts from or interferes with the priority uses of Type 6 Waters, as specified in Section 200.6, the Council may prohibit such activity.
- <sup>11</sup> Public boat launching ramps are permissible in Type 2 waters in accordance with Section 200.2.C. Private boat launching ramps may be permitted only when in conformance with Section 300.4.D.6.
